## New trial is denied for women in school case

Motion for a new trial for two defendants in the Hondo school case was denied Tuesday by Judge Joe Briscoe in Medina County Court.

Motion for a new trial alleged that there was jury misconduct in the trial June 20 where the two were found guilty of disrupting the operation of the school. They were Mrs. Oralia Cortinez and Mrs. Isabel Correa.

Mrs. T. A. Lopez, a member of that jury, alleged jury misconduct influenced her previous decision to vote guilty. She testified to this effect at Tuesday's hearing.

Three of the previous jurors including foreman John Philpott testified on behalf of the State, whose case was presented by County Attorney Allen Lee.

Judge Briscoe, who had heard the first trial, apparently found no misconduct and denied a new trial.

Defense Attorney Paul Rich gave notice he will appeal the decision to the Court of Criminal Appeals.

## Homecoming scheduled in D'Hanis

The annual D'Hanis Homecoming Celebration will be held Sunday, August 4, on the grounds of Holy Cross Church in D'Hanis.

The event, which each year multiplies the population of D'Hanis on the feast day of Holy Cross patron St. Dominic, promises a goodly display of food and fun.

Masses will be said at 7 and 10 a.m. at Holy Cross Church, and serving of a delicious barbecue dinner will begin at 11:30 a.m.

Celebration-goers will have the choice of eating inside spacious St. Dominic's Hall or under the prize-winning pecan trees of the parish orchard.

Throughout the afternoon there will be music on the grounds along with games and entertainment for young and old.

A special addition to the games this year will be a big 3-lane Horseshoe Pitch where six teams of throwers at a time can test their skills.

A tamale sale will provide good Mexican food for eating on the grounds or to take home.

A dance with music by Tony Koch and the Country Squires will begin at 8 p.m. and go until midnight to cap off the celebration.

"Everyone is welcome to come to D'Hanis and help us celebrate our 127th anniversary," says pastor Father Victor Schmidtzyński. "Come out and have a good time!"

star, Tom Koch.

Koehler started the game and almost immediately got into trouble. D'Hanis jumped to a 3-0 lead and by the third inning had the bases loaded with no outs.

"Put me in!" Diz fairly screamed at the Castroville manager. "Put me in now and I guarantee they won't make another run today."

The situation being what it was, the manager opted to give the kid a try.

Dean then proceeded to cut the D'Hanis players down in order for the remainder of the day and made good his promise. But unlike the movies, he couldn't save the day--D'Hanis won the game, 3-2.

That was one of the first times Dean was to make a braggadocious remark, then go out and make it good.

Dizzy was thereafter a frequent sight in the Castroville dugout, pitching several games that

## ME Co-op can't supply power

Anyone who might be thinking that because of the increase in electric rates imposed by the San Antonio Public Service Board Hondo and Castroville can purchase power from Medina Electric Cooperative, forget it.

L. E. "Red" Gross, general manager of the Cooperative, in so many words told city councilmen and utility managers from the two cities this at a Monday night meeting.

"Rural electrification regulations," Gross told those at the meeting, "say that any city with 1500 plus population already receiving service from anyone such as Central Power & Light Co. cannot change to REA service."

The recent increase by CPSB without any advance warning to either Castroville or Hondo irked some of the Castroville councilmen and the city approached Medina Electric Cooperative about the possibility of receiving service from that source.

"We couldn't if we wanted to do so," Gross said. "And even if it were possible under the regulations it is doubtful that we could receive the consent of Central Power & Light Co. or South Texas Electric Cooperative, both of whom have a part in supplying Castroville's power."

"And it is also doubtful that we could provide electric power to these cities at the cost PSB has quoted," he added.

## Youth Rodeo slated for weekend

Don't forget to giddyap out to the Medina County Youth Rodeo Friday and Saturday nights, July 26-27 at the arena on the airbase.

Young cowboys and cowgirls from ages 6-19 will compete in two age brackets for prizes which include \$50 belt buckles to first place winners. Prizes will be awarded through fifth place.

All contestants were enrolled in elementary or high school this past year.

Mrs. Peggy Heyen is handling the event this year, and reports the response from entrants has been very good this year. It promises to be one of the best rodeos ever for Medina County.

## County baseball buffs recall when 'Old Diz' was here

By Joe Fohn

He was a rough-looking kid, all right.

His baseball cap couldn't quite cover the long, sandy-brown hair that was normal by today's standards but unusual then.

His frame seemed too skinny to support his broad shoulders, and beneath his rumped Castroville baseball suit a pair of old tennis shoes took the place of regulation baseball spikes.

But when he fired his fastball, most people forgot all about the appearance of the 18-year-old soldier they called "Dizzy" Dean. They just watched and were impressed.

The year was 1928, by the nearest guess. It was a year in the heyday of the old Highway 90 League, that chain of small-town baseball teams between San Antonio and the border.

Times were not good, and

baseball was the main attraction on summer Sundays in Castroville, Quidi, Rio Medina, Hondo, D'Hanis, Sabinal and Uvalde. After the game, of course, winners and losers alike met for some good fellowship and good homebrew at a pre-arranged spot.

Two of the teams dominated the league, and they were arch-rivals. Castroville and D'Hanis each had strong teams and strong traditions. Each wanted very much to win over the other, and each was not above a little extracurricular recruiting, if it would get the job done.

(Castroville once cried 'foul' when a well-known Texas League hurler from the Beaumont team turned up in a D'Hanis Pirate uniform.)

Not that local talent wasn't good enough--there was plenty in both towns. Castroville had recently annexed the financially troubled LaCoste team and acquired the Keller brothers--Herb, Frank and

Oswald--and Son and Ollie Tripp, and pitchers Oscar and Max Biediger.

In addition, they had Tommy Hans at second base, and Clark Tondre and Edgar Hans in the outfield.

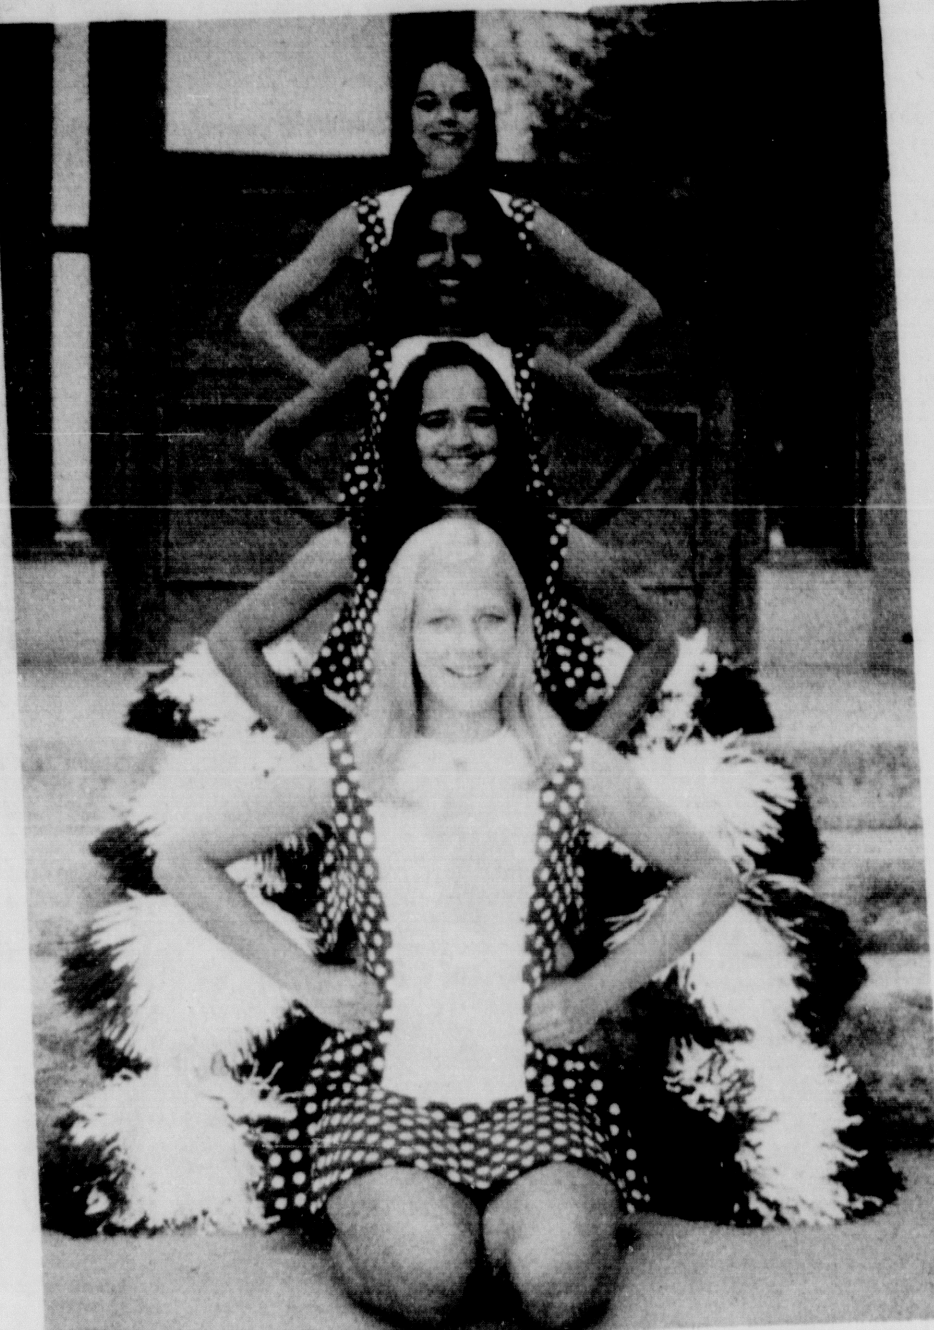

D'Hanis' roster included Tom Koch on the mound; Smut Finger at catcher, Jim Finger at first, Joe Mueller at second, and Allen Koch at third. Alfonso Boog was shortstop, and the outfield included Joe Finger, Bill Zerr and Mitchie Koch.

The big game of the year was to have been a July 4th faceoff at Castroville, but that contest was rained out after only four innings.

When the game was reset at D'Hanis two weeks later, Castroville was ready.

In addition to Dean, Castroville had "borrowed" another hot pitcher, a southpaw from Atascosa, Texas named Lefty Koehler.

D'Hanis would start their own

## Oil income to increase in county

Current higher prices for crude oil and natural gas produced in Medina County point to a significant jump in 1974 income for county land and royalty owners who last year received \$71,511 as their share of the county's output, according to a study by Texas Mid-Continent Oil & Gas Association.

"With the average price of Texas crude oil now about \$6.70 a barrel, compared with the 1973 average of \$3.84 a barrel, and with some newly discovered natural gas selling intrastate for more than \$1 per thousand cubic feet, the outlook for the economy of producing communities is encouraging if prices hold up," according to Sherman Hunt, Dallas, Association president.

"Should price rollback schemes and other tax-and-control proposals now underway in Congress be successful, current economic gains will evaporate," Hunt said.

The Association's study shows

that crude oil and natural gas produced last year in Medina County was valued at \$572,086, ranking the county 177th in the state. Crude oil production of 143,251 barrels was valued at \$550,084 and 115.8 million cubic feet of natural gas at \$22,002.

Statewide, crude oil prices for 1974 are estimated to be some 74 per cent higher than 1973. This expectation has stimulated a revival of drilling in Texas, with well completions the first five months of 1974 at 4,013, a 19 per cent jump over the same 1973 period.

From the county's 1973 output, the State of Texas collected \$25,304 in oil production taxes and \$1,650 from natural gas.

Also adding to the dollar flow in the county last year were payrolls, which amounted to \$173,128 paid to 62 workers, according to Texas Employment Commission figures.

CHECK OUT IN HONDO

The electronic system of marking first downs at football games received a "going over" by local people last week at a demonstration on Barry Field. Four of those giving the new invention a "look see" are pictured at left and are, left to right, Albert Rowlett, Allen Lee, Roy Bohlen and Chuck Carlock. In the right hand scene, Carlock, president of Sports Laser, Inc., and Allen Lee, a stockholder,

stand by the machine and hold the equipment that will be carried by the officials. The machine was to have been demonstrated at the Oiler-Toro game in San Antonio last week but Houston Coach Sid Gillman decided the track was too close to the field and at that time it was too late to move it. The laser might be used in the final Toro game slated for Saturday night. [Photos by Tony Mendoza]

### WAGONS, HO

... Texas Press delegation!

That cry, given in a decidedly delightful Dutch accent, rang out in airports, hotel lobbies and tourist sights throughout Europe and parts of the Soviet Union the past three weeks.

Hendrik T. DeVries, better known to us as "Hank", used the expression when he wanted our touring group to move out, get together or just be quiet sometime. Of course, he reversed the wording, using: "Texas Press delegation, Wagons Ho!"

We met Hank in comfortable, tolerant and intriguing Amsterdam, which is his hometown. He started the cry there and we heard it in sunny Zurich, Switzerland, beautifully serene Lucerne, Switzerland, somber, slightly ominous Moscow, historically interesting Leningrad, impressively picturesque Kiev, semi-modern, but depressing East Berlin, free spirited West Berlin, and romantic, sun-drenched, friendly Madrid.

Hank served as tour manager of the three-week Texas Press Association People-to-People Tour which Patricia and I ended at four a.m. Sunday morning when we drove into Hondo from Houston.

People-to-People originated back in 1954 with President Dwight Eisenhower, and has been instrumental in getting people from all walks of life involved in helping bring about better understanding among the peoples of the world.

President Eisenhower said then: Men must understand one another before nations can. If people get together, so eventually will governments.

"If we are going to take advantage of the assumption that all people want peace, then the problem is for people to get together and to leap governments . . . if necessary to evade governments . . . to work out not one method, but thousands of methods by which people can gradually learn a little bit about each other."

And with 19 other people that's what Patricia and I have been attempting to do these past three weeks. We have talked to people in all the cities mentioned earlier in this column, and as much as possible we have met our news and printing counterparts.

Eight of the 21 days were spent in the Soviet Union cities of Moscow, Leningrad and Kiev. We say they are all in Russia, but that is incorrect. Moscow and Leningrad are in the Republic of Russia, but Kiev is in the Republic of Ukraine. There are 15 republics in the Soviet Union, all ruled with an iron thumb by the Kremlin in Moscow.

Our stay there was not all that good, nor all that bad. We did not meet many of the people, and it would have done little good to do so, since we don't speak Russian and most of them don't speak English. However, since I have a volume of notes on our visit and impressions of that country, I will refrain from saying more and try to cover it more fully in a subsequent article.

But, in seeing all these countries, and especially the Soviet Union, we now have more appreciation for the words told us by Don Fisher, a representative of the People-to-People organization, in Houston before we took off on our journey. He said:

"Being born in America is an accident; living in America is a privilege; dying in America and leaving it in good shape for our children is an obligation and a responsibility."

It proved to be a wonderful trip, informative, entertaining and interesting. But like Don Reid, former publisher of the Huntsville Item and now consultant for the Harte-Hanks organization, said at our final party in Madrid: "I'm extremely happy I went, but I wouldn't want to do it again soon."

Three weeks is a long time to live out of a suitcase, and provides one with many ups and downs. In that time we rode on nine different airplanes, one train, at least 30 different buses, one hydrofoil boat, a regular sight-seeing boat, one cable car, one gondola, and one cog wheel rail car.

And we must have walked at least a thousand miles seeing historical buildings, museums, art galleries, mountains, monuments, gardens, fountains, flower auctions, an opera, a circus, and just plain old window shopping. I had enough culture crammed down my throat to last me a lifetime.

So you can see that by the time we landed in Houston at about 10:30 p.m. Saturday night, got our luggage, reclaimed our car and drove to Hondo we were two tired people. Especially, considering the fact we had had no sleep for about 30 hours.

And Sunday, we were dragging like zombies. But let our minds clear away the fatigue and our bodies recover their strength and we will be able to recall more vividly the beautiful and wonderful memories we stored on this trip to have at

# Chamber Corner

Calvin Schott of Dunlay gets our grateful thanks this week for his generous donation to the Chamber. He made the donation in appreciation for our helping him lease his place to deer hunters.

Keep those cards and letters coming in!

Dear Friends:  
I would like to have information on the city of Hondo and would you send me a sample copy of your newspaper. Sincerely yours, Leo J. Berns, Carlsbad, New Mexico.

Dear Sirs:  
I was interested in some ranches there in Hondo that would allow six men to hunt on during deer season. If you have a list of these ranches, please send me a list. I would appreciate this very much. Sincerely yours, Gary Morgan, Houston, Texas.

Don Hunter of the Highway Tourist Bureau in Laredo is interested in our annual Hondo World

Championship Corn Shucking Contest on August 24. So we sent him all the information now available.

Long distance calls this week brought home the point that deer hunting season is not far off. Many of them were about deer leases, such as the ones from Houston, Fort Worth, San Antonio.

Letters went to such far-away places as Minneapolis, Minnesota, Los Angeles, California, San Diego, California, Crawfordsville, Indiana, Carlsbad, New Mexico, Polatka, Florida and would you believe Watauga, Texas.

In all we sent some 38 letters with hunting leases.

Housing is still in great demand with one listed, two requests, 12 referrals and three other calls; Jobs -- orders 2, applications 1, referrals 11, TEC call-in cards 13, other 7; Maps, brochures, cards, 9; Youth Rodeo 4; and others 15.

## Art League will give books

The Art League will present a group of books on puppetry to the Hondo Public Library on July 30th.

The next workshop to be undertaken by the League will be to make arts and crafts objects from cornshucks. They will be displayed and sold during the Second Annual World Champion Corn Shucking and Shelling Contest next month.

On August 10, Robin Winright will take part in the Texas Folk Craft Experience at the Southwest Craft Center located at the Old Ursuline Convent in San Antonio.

Old-time skills such as bread making, spinning, stitchery, arrowhead making and stained glass making will be taught in special workshops Saturday and Sunday, August 10-11.

## Lt. Rule honored

RIVERSIDE, Calif. -- Lieutenant Colonel George L. Rule, son of Mrs. Clara E. Rule of 5336 Don Ricardo Drive, Carlsbad, Calif., received the Meritorious Service Medal during his retirement at March AFB, Calif.

Colonel Rule, a 22-year Air Force veteran, earned the medal for his outstanding duty performance as deputy director of information for the 15th Air Force, headquartered at March.

Aeronautically rated a command pilot, Colonel Rule has served in the

Republic of Korea and in Vietnam.

He received his B.S. degree and commission in 1952 upon graduation from the U.S. Military Academy and his M.A. degree in 1957 from Stanford University.

Colonel Rule's wife, Gloria, is the daughter of Mr. and Mrs. Charles Gilbert of 2801 Ave. I, Hondo.

## Fasellers plan reunion

our beck and call for the rest of our lives.

And with your indulgence, we'll probably fill you in on many of them over the next few weeks.

## WOULD YOU BELIEVE

. . . that postcards can bring about friendship with strangers?

I would have thought it unlikely until this tour. We purchased some 200 postcards printed by the Medina County Museum and showing Frank Graff's old Longhorn steer, and they proved very

popular all over, especially in the Soviet Union.

We carried many Hondo sign cards also, but surprisingly enough, since the Soviet Union state decrees and so teaches there is no God, the Russian people did not catch the significance of the message. I don't mean to say no one over there believes in God, for many of them do belong to churches, but the state places nationalism above all else.

But they did go for the Longhorn steer. One night in the Intourist Hotel in Moscow, I gave the doorman one of the cards and immediately five or six of the other employees gathered around to see it. So I gave each a card and they talked to me about them a long time--and I didn't understand a darn word they said, although their expressions seemed favorable.

This reaction happened throughout the trip, like a group of people at the Russian War Memorial in East Berlin, and in other countries the Hondo roadsign made a good impression. So, in all the traveling I hope we performed some good public relations for our city as well as the Museum.

## ANOTHER BEAUTIFICATION

This is an extremely worthwhile project and I hope that everyone who has a lot there will join Garden Club members in keeping the final resting place for our loved ones clean and pretty.

summer. The next year he was bought out of the Army and pitched for the Public Service baseball team in San Antonio. A year later he would pitch for the St. Louis farm team in Houston, and in another year he would become nationally famous for his arm and his mouth as leader of the Cardinals' uproarious Gas House Gang.

Since he died last Wednesday at the age of 63 or 64 (his biographies vary from one of his stories to another), Dizzy Dean has been remembered by folks who knew him from some stage in his pitching or announcing careers.

There's hardly anyone in the country who doesn't own some piece of his memory.

Bob Bullock, the Democratic nominee for State Comptroller, visited Medina County Tuesday and said "Thank you" to the voters who gave him great support in the May primary.

"I just wanted to come back and say thank you," he said while visiting around Hondo. He carried Medina County by 72.3 per cent.

Bullock "is after" the "fly-by-night" operators who syphon off millions of dollars in tax money each year, and wants more aggressive action against delinquent accounts.

**LIBRARY NEWS**

Seventeen young people, so far, have completed the required reading in Hondo Public Library's Summer Reading Program. These are:

Carlos Aguirre, Candelario Contreras, Linda Contreras, Lorraine Contreras, Roger Contreras, Sylvia Contreras, Alex Cuellar, Henry Garza, Joe Damian Garza, Gloria Gonzales, Richard Guedea, Dianna Lindeburg, Edna Molina, Nancy Pope, Debbie Reyes, Ruben Rangel and Esmeralda Salazar.

Each reader has received a certificate from the Texas State Library and a bookmark memento, made and presented by members of Hondo's Junior Service League.

Many papebacks have been contributed recently by Mrs. Chester Balzen, Mrs. Alfred Rager, George Deckert, Mary Weems and Mrs. Anita Clossen. The Aztec by Victor Von Hagen. Mr. and Mrs. O. M. Redus have given magazines and an interesting cactus arrangement.

Junior, youth and science fiction papebacks have been donated by Mr. and Mrs. Norman Buescher.

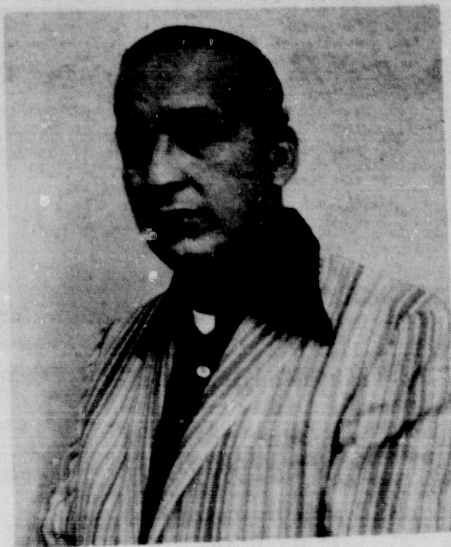

Magazines have been brought in by Mrs. Ella Oeffinger and the Paul Reilly family. Gena Reilly comes in daily with beautiful fresh flowers and candy for the youngsters.

At the Summer Story Hour on Wednesday, July 17, Denise Saathoff was storyteller for the 4-5 age group who were Jordan Clossen, Stacy Koch, Vicki Graff, John Batot, Gene Batot and Andy Robert Bailey.

Mrs. Floyd Saathoff was in charge of the 6-8 age group. These children were Richard Guedea, Andrew Clossen, Cindy Batot, Teena Graff, Kristy Gwartney and Tina Sue Finger.

Both groups were read stories, did crayon coloring and were given candy treats. The Hondo chapter, Young Homemakers of Texas, sponsors these weekly story hours for young people.

Mrs. Lottie Maw, librarian, reminds all readers that the library is open 11:30 a.m. to 5:30 p.m. Monday through Friday, and also that those overdue books can be returned at any time by making use of the book-drop.

**Rev. Castro is minister of church**

The Rev. Gilbert Castro is the new pastor of the First Mexican Baptist Church in Hondo and he and his family are now living at 1712 15th Street.

Reverend Castro comes here from DeLeon where he was pastor of the DeLeon Latin American Baptist Mission and attending Howard Payne College in Brownwood.

Mrs. Castro, Sylvia, and their four children, Gilbert, 10, Sonia, 8, Sophia, 6, and Sandy, 4, are busy getting settled before school begins.

"The entire family," says Rev. Castro, "is enthusiastic about being of service to the community of Hondo. We look forward with the Lord's help to a long and prosperous stay in the city."

Scientists have found bacteria that were frozen in antarctic ice and soil for at least 10,000 years -- yet grew and reproduced in the laboratory. No wonder you can't get rid of a cold. Those germs are tough!

Mononucleosis is a virus disease (doctors are almost sure), but is not as casually contagious as some people fear. Called the "kissing disease", it requires the transmission of saliva.

Any puncture wound calls for a doctor's attention, usually for an anti-tetanus shot.

Studies on aging have found that people with superior education and prestige jobs tend to live longer. And enjoy it more, too, we'll bet.

University of Miami dermatologists have eased the redness and pain of sunburn by injecting aspirin under the skin.

For do-it-yourself sunburn easing, how about two aspirin and one of the soothing, anesthetic creams at DAN'S DRUG, Hwy. 90 West, 426-3305? Better yet, protect yourself with a good sun-screen.

Bernice Finger, Connie Koch visit Swis, Alsatian kin

Mrs. Bernice Finger and Connie Koch returned Saturday from Geneva, Switzerland where they visited Dr. and Mrs. Michael Joseph Finger and children.

While there they enjoyed a trip by cable car to the top of snow-capped Mont Blanc, highest mountain in Europe, where the temperature was zero degrees. A visit to a cheese factor in Gruyere was interesting. The Castles in Chillon, Oron de Ville and Gruyere were also on the tours.

Several days were spent with the Finger families in Niederentzen, Alsace, France where they were wined and dined in a different house each day.

Edward and Johanna Finger have not forgotten all the friends they met when they were here in 1972 and asked to be remembered to all.

In Strasbourg they enjoyed several potteries where the blue glazed ceramics are made. Drives through the countryside were breath-taking. The flowers are everywhere and the grape orchards cover the mountainside.

A visit to the cemetery in Oberentzen showed familiar names like Fillinger, Haby, Ahr, Finger, Mangold and Garteiser.

Although the Fingers speak no English, only French and Alsatian, there was no language barrier as the travelers could keep up with the Alsatian and the Mike Fingers with their French.

There was a group seated around a table, four spoke English, four Alsatian and four French. How many people were there?

Mrs. James Drew Reavis, Jr.

Fohn, Reavis wed

This week All she wrote

by Edna McDade

Miss Kathleen Elizabeth Fohn and James Drew Reavis Jr. were married Saturday, June 22, 1974 in St. Paul's Lutheran Church, Hondo. Reverend A. M. Hannemann performed the ceremony.

The bride, daughter of Mr. and Mrs. Joe M. Fohn of Hondo, is a graduate of Hondo High School. Parents of the groom are Mr. and Mrs. James Drew Reavis of Sabinal. He is a graduate of Sabinal High School.

Given in marriage by her father, the bride wore a gown of white organza with a wide lace bertha collar. The same lace circled the hemline of the skirt which formed a short chapel train. She carried a bouquet of white butterfly orchids and stephanotis surrounding a small testam-

ment. Miss Susan Fohn, sister of the bride, served as maid of honor. Her dress was of yellow dotted Swiss and she carried a basket filled with daisies and baby's breath.

Serving the groom as best man was his friend, Calvin Farr, also of Sabinal. Ushers were Robert Fohn, Ernest O'Bryant and Darrell Smart.

Mrs. Chester Schmidt played the organ for the ceremony. Following the wedding a reception was given by the parents of the bride at their home at 1101 27th St.

Following the wedding trip, the couple is now living in Sabinal where the groom is employed.

Rehearsal Dinner Mr. and Mrs. James Drew Reavis honored the young couple with a barbecue supper at their home on Friday, June 21.

Members of the wedding party and the couple's family were present.

In case you didn't know, exactly five months from the date of this issue of the ANVIL HERALD is what will still seem to be an eternity since the last one to the Stocking-Hanger-uppers in our midst.

Some of the rest of us might be thinking; What, not again? Already?

It is a much more rewarding feeling to think back to the days of our own impatience and disbelief that the time between birthdays, Christmases and other very special occasions could be so interminable that it wasn't even fair!

If financing the gladsome gift season is among your worries, you should be as lucky as I'm supposed to be.

Within three days, I received two checks through the mail, payable to me only, and in the sum of ten [10] cents each, for a total of twenty cents.

Now, if I want to be sure to be included in a bona fide opportunity to have sums varying from \$24,000, \$10,000, \$5,000, \$1,000, \$500, down to \$10 [TEN DOLLARS], [added to my "account"] I must get going in a hurry -- and I never could hurry.

Best I can do is get there latest with the leastest!

It isn't hard to find something to "grouse" about but to hunt grouse is something else again.

Grouse hunts are a favorite sport in Scotland and Northern England although I doubt if many Medina County deer hunters could be lured away from their favorite sport, come the annual deer season, to have a go at being among the "guns", as the hunters are called, permitted to keep only a "brace" [that's two] grouse a day, at a cost of some \$1500-\$2000 for one week's bed and board alone - extra if Mama goes along.

A grouse hunt, in the style to which those who can afford it, must become accustomed to a memorable experience.

Dress for dinner each evening, dine by candlelight, employ "beaters" to scare up the birds, "loaders" to see that each gun is promptly reloaded, and ground-keepers to insure that the hunting areas are covered with tons of fine stone chips that must provide grit for the grouse's gizzard!

There's a bit of rivalry too among the "guns" and a five-year waiting list for those wanting to add a handsome 12-gauge side-by-side model shot gun to their collection.

Price each, \$8,000 and subject, of course, to change, of course, without notice, of course.

On second thought, probably not any [at least not many] Texas deer hunters would want to trade sports, especially when the grouse events said not one word about the annual game dinner at Hondo City Park.

No copyright was indicated on the original manuscript of a short story I received from a grandniece, age 7, so I shall take the liberty of quoting it, in full, verbatim:

"May 17, by Sally B, I wood like to be a duck becas we cud swim when evry we wanted to. The End."

Teacher's comment, written just as plain as plain, was "Good creative story."

And, so, indeed it was. A short story, short and to the point, on the assigned subject, "What I would like to be".

The two-yards worth of indigo snake that CAM MOSS held in his hands for the picture to prove it last week almost made ends meet.

But, it was another one of those cases of "too little too late!"

It will soon be "Corn-shucking time" in the annual Folk Life Festival in SA.

Sounds like competition will be keen and it might be a good idea to watch the competition from that under-12 group.

Little fingers can be mighty nimble and quick, as in "Jack-be-nimble; Jack-be-quick."

Although I knew few, if any, Hondoans in 1917, I found it easy to recognize the late Mr. Robert Riff and Mr. Hugo Saathoff from the picture [AH 7/11/74] of Medina Countians as they went "Marching off to War."

I know all too well how long ago WWI "happened" and the memories remain almost too vivid after the many years since.

Sweet, sometimes, must be the uses of adver-tising. F'r instance: A vending machine in one big-town down-town office building sells a GIANT bar of chocolate candy, weight 1.8 ounces, for 25 cents.

A snack bar, a few floors up, sells the same brand, marked "Giant" in smaller letters, weight 1.85 ounces, for 15 cents.

Maybe the higher you go, the less you pay?

4-H Club News

Five members of the South Hondo Unit I 4-H Club brought home honors from the State 4-H Round-up at A&M University in June.

Mariette and Jeanette Aelvoet were first place winners in the Vegetable Preparation and Use demonstration contest. They were awarded a trip to South Texas Vegetable Day in San Antonio.

Vicky Gilliam and Sandy Moose received a cash prize for second place in

the Landscape Morticulture contest. Sandy is a member of the South Hondo Unit II 4-H Club.

The soil evaluation team consisting of Andy Aelvoet, Andy Gilliam, Tim Gilliam and Robyn Hood of D'Hanis, placed second in soil judging competition. Andy Aelvoet was eleventh high individual. Andy Gilliam was fifth high and Tim was second high individual. All three boys received watches from the contest sponsor.

## Area families attend Pecan Show

The 53rd annual Texas Pecan Growers Conference and the Texas State Pecan Show are history. They were held July 9-11 in the new Civic Center in El Paso. This year's theme was "Co-op Marketing Means More Grower Profit."

Those attending the conference were Mr. and Mrs. George A. Koch and Mr. and Mrs. Al Tom Schiffer and Jennifer of Hondo; Mr. and Mrs. A. V. McCrea and family of Yancey; and Rev. Victor G. Schmidtzinsky, Pastor of Holy Cross Church, D' Hanis.

The following key topics were discussed at the two-day conference: "Co-op Marketing and the Pecan Marketing Organization" by Dr. Fred R. Brison and Dr. William E. Black; "Pecan Marketing Program in Mexico" by Dr. Sergio Martinez Evino and Dr. F. L. Schmal; "Prospects for Pecan Exports" by Ken Decker; "Zinc Rosette and Delayed Foliation on Pecans" by Dr. J. Benton Storey.

Also, "Keys to Successful Pecan Growing" included such topics as

"Basic Pecan Soil Considerations" by Dr. Blueford G. Hancock, "Pecan Varieties" by Dr. George Ray McEachern, "Spacing Pecan Trees" by Dr. Michael Kilby, "Orchard Irrigation" by Dr. Calvin G. Lyons, "Pecan Orchard Fertilization" by Dr. Arlie A. Powell, "Weed Control in Orchards" by Dr. Earl Puls, "Controlling Pecan Pests" by Dr. Clifford A. Hoelscher, "Pecan Disease Control" by Dr. Jerral D. Johnson.

"Intensive Management and Regular Production" by Hugo Pape, "Pecan Research - the Basis of Your Industry" by Dr. Jarvis E. Miller, "Pecan Variety Evaluation" by Dr. George Madden, "Pecan Herbicides" by Dr. James B. Aitken, and "Stratification of Dispersing Pecan Weevil in the Soil" by Dr. Marvin Harris.

A stirring address was given by Joe H. Rothe, Assistant Director and State Agent and a native of Hondo on "Pecan Extension Education in Texas", explaining that local county extension agents are being briefed with

more "pecan knowledge". The 1974 crop estimates were given listing Texas with a poor crop for the coming season.

Memorial services were conducted by Marvin Harris of Eagle Pass and Rev. Schmidtinsky for three members of the Texas Pecan Growers Association who died the past year.

The new president for a two-year term is Ray Peeler Jr. of Bonham, Texas, succeeding Tabb Harrell of Austin.

Some 291 entries from three Texas Regional Pecan shows were on exhibit at the Annual Pecan Growers Conference.

Holy Cross Catholic Church took four ribbons with its three entries: the Success variety took first place (34.16 pecans per pound and 54.22% kernel); the Imperial variety took second place as a variety (28.39 and 58.94%) and second heaviest exhibit of the show, the heaviest being a third place Mohawk variety (28.9 and 59.0%) entered by Leonard Bend Farm of Granbury, and the third heaviest was the first place Imperial

entry shown by A. S. Andrew of McCamey, (28.40 and 58.43%); the Church's Inshell Seedling variety took third place (34.23 and 60.98%). Maurice Koch of D'Hanis took a third place with his Imperial variety (33.58 and 57.51%).

The 1975 Annual Conference will be held in the Fort Worth-Arlington-Dallas area. The 1976 Annual Conference will be held at Texas A&M when Texas A&M will celebrate its 100th anniversary.

## IF YOU'RE PLANNING TO BUY CENTRAL AIR CONDITIONING,

### WE THINK GAS AIR CONDITIONING IS YOUR BEST BUY.

Gas air conditioning is designed and constructed to provide long-lasting service. There are fewer moving parts to wear out and only top-quality materials are used, for superior strength and durability. Further, you never have to worry about replacing an expensive compressor; gas air conditioning employs absorption refrigeration and doesn't need a compressor.

Strong, simple. That's what enables gas air conditioning to maintain its original workload capacity throughout its long life. And because it uses natural gas, your utility bills for operation are less.

Federal and State regulatory authorities give residential and small commercial consumers the very highest priority on available gas supplies. Such customers can therefore be assured of a continuing supply of natural gas.

So, if you're planning to add a new air conditioning system, there are lots of good reasons why it should be gas central air conditioning. Check with a gas air conditioning dealer, or call us.

## Matt's Welding

Matt's Welding, owned by Matt Williams, is located at 1518 F.M. Hwy. in Lytle, phone 772-3851. This is the place to take those welding problems.

They specialize in general welding, serving this area. They maintain a complete shop

including electrical and acetylene welding equipment as well as portable welding equipment. They can save you many dollars and loss of time with their portable equipment. They also do custom wrought iron welding.

If you have a breakdown in

the field or plant don't move the machinery at great cost... just call this excellent firm and let them weld it on the spot.

For all welding needs we suggest that you call this firm for prompt, efficient service.

## Lascano's Iron and Metal Company

Gather up all that scrap metal lying around and you can turn it into dollars in your pocket by taking it to the Lascano's Iron and Metal Co., located at 700 N. Teel. They will pay you the highest prices for your scrap metal. Their

phone number is 663-2112.

We all have scrap metal around our home or farm that is useless to us. It is not only useless but impairs the appearance of any yard. With very little effort, you can gather this up and on your next trip to

Devine bring it in to Lascano's Iron and Metal Co. Any piece of metal that is tin or iron can be sold.

This firm has built a fine reputation for reliable dealings and this Review recommends them to all in this section who have scrap metal to sell.

For fair prices when buying or selling cattle phone 663-4827 or at night 663-2887 or visit the Bill Evans Cattle Yard, located in Devine.

This qualified man will give you fair prices and the most pleasant business transaction.

He has served the community in this capacity for many years, enabling you to benefit from his experience in this field. Bill Evans is well trained to give you a fair evaluation of your livestock. Honesty and fair dealings are his trademarks.

marks, his reasonable prices are your guarantee. Farmers and ranchers in this area will testify to this.

This progressive Town and Country Review recommends the service of this company for good prices and efficient, dependable business methods.

## Dan's Meat Market

Dan's Meat Market is located in Castroville across from the bank, phone 538-2131. This is the place you can buy your meat by the quarter, half, or whole and save many dollars.

They cut and process all meats for home freezers. They also do custom butchering and offer country sausage. They

have the latest in modern equipment and that, along with their many years of experience enable them to give you the best possible service. They will butcher your meat so that you will get the most out of your hog, beef, veal, or lamb. They work on the principal that every customer must have the best and most expert service

that can be given. This service is available at all seasons of the year.

The owners, Mr. and Mrs. Jimmy Burrell wish to invite our readers to stop in any time and to also express his appreciation for your past patronage and ask that they be allowed to serve you in the future.

## Shackelford Garage

When in the market for farm machinery, be sure to go to Shackelford Garage located in Bandera, phone 796-3942.

The Shackelford Garage features the famous International Harvester farm machinery which has stood the test of years of rugged usage and has proven satisfactory in every phase to the farmers in this area.

To be efficient, a piece of farm machinery must be built to stand the rough use

necessarily involved in the working of farm lands. International Harvester equipment is just that type of machinery.

The Shackelford Garage also features a complete parts and repair department so that when your equipment needs overhauling and renovating, as all machinery must at various times, they can give you the best service in the shortest time at the least possible expense to you. They also offer a pick up and delivery.

vicinity. You may phone or drive by and you will find a room ready and waiting for you. The facilities here are complete with color televisions, telephones, 24-hour switchboard, air conditioning and a swimming pool assuring you of a delightful stay. At the Country Corner Restaurant

you will dine in comfort as it is pleasantly decorated to present a warm atmosphere. They serve only the finest in prepared foods in a tempting variety from which to choose. They are ready at all times to serve you in the most efficient manner. A gift show and gasoline are available. Stop in or phone 663-5733.

## Tri-County Farmer's Co-op

There is an old saying "If you want a thing done right, do it yourself" and this is why farmer co-operatives were originated. Phone 663-4441, Devine, and 662-3941 in San Antonio. Farmers' co-ops are operated BY THE FARMER, FOR THE FARMER.

Tri-County Farmer's Co-ops, operated at 102 Bright Dr. in Devine, is a progressive concern geared to meet ever-changing conditions. The manager sees that feed, seed, petroleum products and many varied farm supplies are available in the quantities

needed, and at the time needed.

This co-op keeps abreast of market conditions constantly and reduces the gap between farmer and consumer.

We in this Review salute this co-op for its great contribution to the welfare of our area.

## Hondoans help South Texas All Stars

The South Texas All Stars, who played the San Antonio All-Stars Tuesday night at V. J. Keefe Field, included several Hondo and area names on their roster.

From the Owl baseball team came Mike Groff, 17, a 6-3, 190-pound first baseman; Steve Mueller, 16, a catcher at 5-5 and 145 pounds; Raul Dominguez, 16, a third baseman at 5-6

and 130 pounds; and second baseman David Knowles, 16, 5-8 and 150 pounds.

Also on the team were Medina Valley stars David DeCock and Gary Danielson among the pitchers, and former Panther Glynn Tschirhart, a shortstop.

The South Texas team defeated San Antonio's All-Stars 2-1 in a closely-fought game.

All Hondo players saw action in the game.

At one point, in the final inning Raul Dominguez was on third base, David Knowles at second and Mike Groff at first while Steve Mueller caught.

Former Medina Valley star Glynn Tschirhart started at shortstop for the South, and played that position through five innings.

DISTRICT CHAMPIONS . . . for District 21 are the Hondo-D'Hanis-Bandera All-Stars. They earned the honor by defeating Pearsall Friday night at Pearsall.

## Hondo Invitational tourney coming

Hondo's Invitational Golf Tournament will be held August 30-September 2 at the Hondo Golf Course, reports Pro Virgil

Krenmueller.

A field of 128 of the best area golfers will compete for the prizes awarded the medalist and winners of each flight.

Off-the-links events in-

clude a Cocktail party Friday, August 30, at 6 p.m., coffee and doughnuts each morning, dancing on Saturday night, and a big barbecue supper Sunday night.

The medalist will win a golf bag; each flight winner will receive a Pro Line set of steel irons. Runner-up of each flight will receive a Pro Line set of steel woods.

Consolation prizes will also be awarded.

Entry fees will be \$40.

## Hermann Sons set workshop

SAN ANTONIO -- In preparation for a "Needs of Tomorrow" membership campaign, key representatives of 49 area Hermann Sons lodges will take part in a Saturday afternoon workshop July 27 in the Grand Lodge Auditorium, 515 S. St. Mary's St., San Antonio.

The lodges participating will include Hondo Victory Lodge No. 161, Hondo Lodge No. 236, D'Hanis Lodge No. 130, Knippa Lodge No. 233, LaCoste Lodge No. 261, Biry Lodge No. 283, Dunlay Lodge No. 285, Castroville Lodge No. 71, among others.

## Sr. Leaguers win District title

Though their series went to the wire and they played the final game on strange turf, the Hondo-D'Hanis-Bandera Senior League All-Stars defeated Pearsall to capture the District 21 championship.

Thursday night's would-be clincher in Hondo proved a disaster as George Cabasos one-hit the All-Stars while the Pearsall batters bombed HDB 9-1.

### AT HONDO

Leadoff batter Kenny Rothe scored Hondo's only run as he walked, was advanced all the way to third by two more walks, then scored on a passed ball.

The Hondo-D'Hanis-Bandera team was shackled by a vengeful Cabasos, who had been ejected from an earlier game. Clay Braden got the team's only hit, a leadoff single in

the second inning.

Losing pitcher was Ronnie Rothe, who started for the HDB team.

Pearsall jumped to a quick 5-0 lead on a first inning attack of three doubles and three singles.

In the second inning they added another run, then in the seventh they scored two more.

### AT PEARSALL

It was a different story Friday night in Pearsall as the Stars defeated Pearsall for the District crown, 6-2.

Bob Riley picked up the win for HDB, while Dickie Graff was the losing pitcher.

The area team drew first blood in the third inning as Ronnie Rothe walked, then scored on Bubba Laughinghouse's single.

Pearsall matched that run and added another in the fifth as George Cabasos and Sonny Trevino

scored in a five-hit attack. HDB came back in the sixth inning with two more runs as Ronnie Rothe reached on an error and Hector Garcia walked. Bob Riley's single scored both baserunners.

The Medina-Bandera countians pulled ahead in the final frame as Preston Jennings was hit by a pitch, then Kenny Rothe singled him to third base. R. J. scored on Bubba Laughinghouse's single, and Ronnie Rothe bunted a single to load the bases.

After Clay Braden hit a fielder's choice which forced Kenny at the plate, Hector Garcia lofted a long double to score Bubba and Ronny and top off the scoring.

### WESLACO

Weslaco's All-Stars had an improbable no-hitter going against the Hondo-D'Hanis-Bandera team through six innings Tuesday night, but the HDB team led all the way to win 6-1.

The strange game began with a first inning that saw four strikeouts and a run. Bubba Laughinghouse drew a walk with one out, then stole second and advanced to third on a bad throw.

After another strikeout, Bubba scored as Bob Riley swung at a third strike, then safely reached first base after the catcher missed the ball. Yet another strikeout ended the inning.

The locals added a run in the second as Clay Braden walked, advanced to third on a steal and passed ball, and scored on a fielder's choice by Keith Boyd.

The Weslaco team scored its only run in the fourth as Danny Castro scored on a double by Erasmo Anzaldúa.

HDB scored another hitless run in the sixth as Ronnie Rothe walked, advanced to third, and scored on a sacrifice fly by Hector Garcia.

The game-breaking rally came in the final frame when HDB put together four hits, including a triple by Ronnie Rothe, double by Hector Garcia, and singles by Preston Jennings and Bob Riley to score three runs.

Ronnie Rothe struck out ten and walked three en route to the win. Losing pitcher was Weslaco starter Carlos Rico.

Wednesday night the Hondo-D'Hanis-Bandera team returned to Pearsall again for another playoff, this time against South San Antonio's All-Stars, the District 20 champions.

## Physicals set August 8

The coaching staff of Hondo High School announces that August 7 will be the date for issuing football equipment for all high school athletes. Physicals will be given the next day, August 8.

Equipment will be issued at the field house on the morning of Wednesday, August 7.

Seniors will report from 8:30-9 a.m.; juniors from

9-9:30 a.m.; sophomores from 9:30-10:30 a.m. and freshmen from 10:30-12 noon.

### PHYSICALS

Physical examinations will be given free of charge at the field house Thursday evening, August 8.

They are for all boy athletes, for all sports. They will begin at 7:30 p.m.

## SPORT FACTS

Ralph Hauger

The great Ted Williams was a feared hitter even in his rookie season of 1939. He drew 107 walks that year, a Major League record for a first-year man. It still stands.

\*\*\*  
The old philosopher of the golf world, Lee Trevino, was talking about how he feels when he has a bad round. Said Lee: "There's one good thing about it. My wife told me she doesn't care what I do away from home, just so long as I don't enjoy it."

\*\*\*  
The versatile Atlanta Braves batter, Ralph Garr, is famous for cutting at any pitch he likes. Garr was asked what he considered the strike zone. His answer: "Everywhere."

**OUR REFRIGERATOR IS WELL-STOCKED**

In order to retain their freshness and therefore their effectiveness many of our medicines must be stored under refrigerated conditions. For example, certain types of suppositories would melt and become useless if they were kept at regular temperatures. In a few instances such as small-pox and polio vaccines it is even necessary to keep medicines in the freezer compartment.

Insulin for diabetics, certain eye ointments and solutions and some vitamins are a few other examples of products that must be kept in a refrigerator. Naturally, we will periodically check to be sure that the exactly right conditions are being maintained.

## RCA XL-100 \$25 DIVIDEND

Get your \$25 dividend on these  
**NEW RCA XL-100 \$399<sup>95</sup>**  
**100% Solid State Color TVs!**

Check these RCA XL-100 features:

RCA AccuLine picture tube system for brilliant, sharply detailed pictures, fewer service adjustments.

Sharp definition... brilliant contrast from precision in-line picture tube system. And, RCA's design eliminates 12 dynamic convergence service adjustments which dot-screen portable TVs can require. Yoke is permanently bonded to the tube... can't shift position.

XL-100, 100% Solid State reliability.

There are no chassis tubes to burn out... a major cause of TV repairs. Uses less energy... 27 1/2% less than comparable RCA tube-type sets.

Pushbutton control of color, brightness and contrast. Automatic Fine Tuning 100.

\*Optional with dealer.

61 fewer parts—61 fewer things to go wrong!

An advanced picture tube system eliminates 61 components, required in RCA's comparable conventional color portables.

More TV experts own RCA...

More TV program directors, more TV station chief engineers, more senior TV cameramen and more independent TV service technicians own RCA than any other color TV.
